Re: C00473736 Query April Quarterly Report (01/01/2012-03/31/2012)

1.Excessive Contributions

- a.Mr. Joe R. Fulton The earlier reports are being amended to correctly report the spousal allocations of Mr. Joe R Fulton and his wife Frances Fulton.
- b.Mr. Alan Garrett has authorized the allocation of his excess \$34.00 to be allocated to General 2012
- c.Mr. LeMunyon' s inkind contribution 12/2/10 needs to be correctly allocated to General Debt 2010 as that was his intention. P2012 is in error.
- d.ERIC PAC contribution was incorrectly coded to the Primary 2012 because of errors in naming the PACs in the software. A copy of the check will be sent by mail to you to confirm the correct allocation.

2.Itemized disbursements have been fixed to correctly report the descriptions.

3.Any payments to underlying vendors for amounts greater than \$200 in aggregate have been fixed.

4.Schedule B has been reviewed to determine if any reimbursements have to be itemized and detail has been provided on amended return as needed.

5.Schedule C is correct as a result of the many previous amendments of prior reports. Please note that the amount of the cumulative payment of \$3,863.47 is correct.

6.Please see worksheet below which shows the history of the current debt balances after all the amendments.

7.These differences are caused by the continued correction of the earlier reports. Please see number six above.

8.Schedule D "debts" were incorrect. These have been corrected by the amendments of earlier reports. Please see spreadsheet mailed to you to trace the transactions.
